DEC10 WEEK 3 · DAY 4 · 15A GROUP RESEARCH SUMMARY PRESENTATIONS

Audience jobs — *nobody just sits and watches*

1. Sit with your feedback group. Take one job card each.
2. Do your job while the group presents (8–10 min). Notes go in your notebook.
3. After each presentation, pass your card to the left. New group = new job.

JOB 1

AUDIENCE JOB

Question master

Collect your group's questions. Lead the vote. Hold up the C / P / AST card.

Step 2: your group reads its questions aloud and **votes**: on "3", point at the best one.

Report: "In my audience job, I noticed that …"

↻ After this group: pass this card to the left.

JOB 2

AUDIENCE JOB

Evidence detective

Write every source you hear aloud: name + year. Was one missing?

Listen for: "**According to** … (2018)" · "**A report by** … **found that** …"

Step 3 — report first (30 seconds): "In my audience job, I noticed that …"

↻ After this group: pass this card to the left.

JOB 3

AUDIENCE JOB

Cause → effect tracker

Note one cause → effect chain for each speaker.

Listen for: "**One of the main drivers of** …" · "… **is likely to lead to** …" · "**As a result**, …"

Step 3 — report first (30 seconds): "In my audience job, I noticed that …"

↻ After this group: pass this card to the left.

JOB 4

AUDIENCE JOB

Language spotter

Listen for useful phrases: hand-overs, cause and effect, sources.

Listen for: "**Now I'll hand over to** …" · "… **due to** …" · "**To sum up**, …"

Step 3 — report first (30 seconds): "In my audience job, I noticed that …"

↻ After this group: pass this card to the left.

✂ Cut along the dashed lines · one set of 4 jobs per feedback group

Turn over: C / P / AST cards →

C · P · AST — *hold up your card*

Cut out one row each (3 cards). Want to ask? Hold up the card that shows what kind of question you have.
