DEC10 WEEK 3 · DAY 4 · 15A GROUP RESEARCH SUMMARY PRESENTATIONS

Audience jobs — *nobody just sits and watches*

1 Sit with your **feedback group**. Take **one job card** each.

2 Do your job while the group **presents** (8–10 min). Notes go in your notebook.

3 After each presentation, **pass your card to the left**. New group = new job.

JOB 1

AUDIENCE JOB

Question master

Collect your group's questions. Lead the vote. Hold up the C / P / AST card.

Step 2: your group reads its questions aloud and **votes**: on "3", point at the best one.

Report: "In my audience job, I noticed that …"

↻ **After this group: pass this card to the left.**

JOB 2

AUDIENCE JOB

Evidence detective

Write every source you hear aloud: name + year. Was one missing?

Listen for: **"According to** … (2018)" · **"A report by … found that** …"

Step 3 — report first (30 seconds): "In my audience job, I noticed that …"

↻ **After this group: pass this card to the left.**

JOB 3

AUDIENCE JOB

Cause → effect tracker

Note one cause → effect chain for each speaker.

Listen for: **"One of the main drivers of** …" · "… **is likely to lead to** …" · **"As a result,** …"

Step 3 — report first (30 seconds): "In my audience job, I noticed that …"

↻ **After this group: pass this card to the left.**

JOB 4

AUDIENCE JOB

Language spotter

Listen for useful phrases: hand-overs, cause and effect, sources.

Listen for: **"Now I'll hand over to** …" · "… **due to** …" · **"To sum up,** …"

Step 3 — report first (30 seconds): "In my audience job, I noticed that …"

↻ **After this group: pass this card to the left.**

✂ Cut along the dashed lines · one set of 4 jobs per feedback group

Turn over: C / P / AST cards →
