Green jobs in our country (draft)

Last edited by Mei and Omar · Comments: add yours in the margin →

1	Green jobs are jobs that help to reduce emissions or protect the environment (Bowen et al., 2018).	COMMENTS
2	In our country, there are lots of new jobs in solar energy.	COMMENTS
3	The government should pay for all the retraining.	COMMENTS
4	Workers in coal mining may lose their jobs in the next ten years.	COMMENTS
5	This is a big problem and we need to do something.	COMMENTS
