DEC10 WEEK 3 · DAY 1 · 2A CRITICALITY

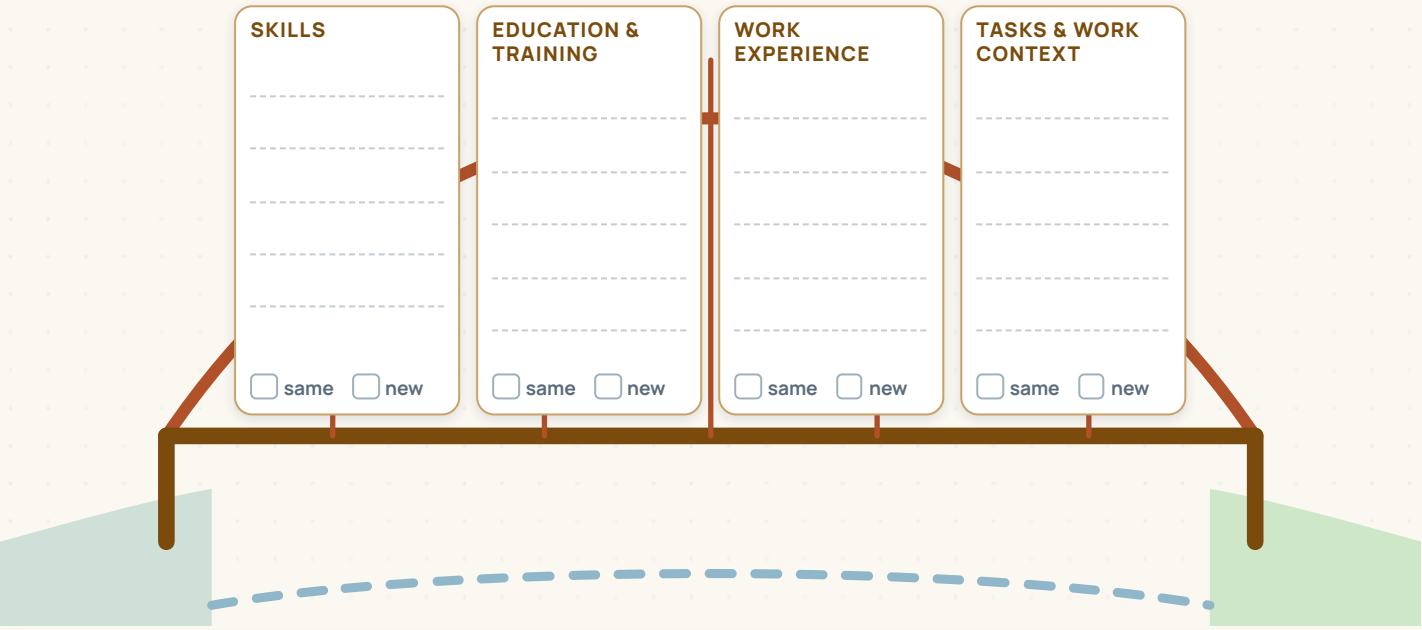

Build the skill bridge — *how far is the move?*

Group names

1. Write the **two jobs** on the banks. Use your O*NET notes.
2. On each **plank**: what is the **same**, and what is **new to learn**? Key words only.
3. Circle the **bridge length**. Then hold your poster at your place on the **human line**.

NON-GREEN JOB (TODAY)

GREEN JOB (TOMORROW)

Bridge length = skill distance Circle one. The shorter the bridge, the less re-training (Paragraph E).

1	2	3	4	5
very short learn on the job	short a short course	medium a certificate	long a diploma	very long a new degree

Our 30-second pitch · the reporter says it

"We compared a … and a …. Both jobs require …."

"The main difference is …. **As a result,** a worker would need …."

"**It seems that** the skill distance is …, **because** …."

Before you hang it up

- [ ] Both job titles are on the banks.
- [ ] Every plank has at least one key word.
- [ ] We circled one bridge length — and we agree.
- [ ] Our pitch has one cause-and-effect linker.
