Human sentence — *7 volunteers, 3 minutes*

1. Cut the 8 signs. Give signs (5) (6) (7) (8) to four volunteers (orange) and the 3 new parts to three more (green).
2. Volunteers stand at the front and read their sign aloud. The class gives instructions to build revised sentence (4).
3. At the end, show the blue sign: the revised sentence. The class reads it aloud together.

"Sentence 5, please sit down — it's a question."

"Noun phrase, stand on the left."

(5) DRAFT SENTENCE

11A · HUMAN SENTENCE · SIGN 1 / 8

Why are they becoming so popular?

(6) DRAFT SENTENCE

11A · HUMAN SENTENCE · SIGN 2 / 8

I think sustainability consultants do a lot to help companies plan for the future.

(7) DRAFT SENTENCE

This isn't just about avoiding fines or negative press.

(8) DRAFT SENTENCE

It's about being responsible for their environmental and social impact.

A NEW PART · NOUN PHRASE

The rising popularity of sustainability consultants

can be attributed to

their pivotal role in planning for long-term environmental, legal and social responsibilities

The rising popularity of sustainability consultants can be attributed to their pivotal role in planning for long-term environmental, legal and social responsibilities.

4 draft sentences → 1 sentence: no question, no ‘I’, a long noun phrase as the subject.
